

# WE BELIEVE IN

taking walks, catching buses,  
riding trains and shopping locally.  
building equitably and being  
sustainable. looking forward  
and bouncing back. seeing value  
and sharing wealth. safe spaces  
and healthy options. music  
and poems in the streets,  
and art on the walls  
and the trains.

**We believe in  
growing together,  
pushing no one out  
while welcoming others in.**
